REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 C.F.R. 1.47(A)

Mail Stop Missing Parts
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Request is in response to the Decision Refusing Status under 37 C.F.R. 1.47(a), dated February 11, 2005.

Appl. No. : 10/828,732
Filed : April 21, 2004

STATEMENTS OF FACTS

1. On April 21, 2004, Petitioner filed the above-identified application without an executed oath or declaration.
2. On June 29, 2004, the Office of Initial Patent Examination mailed a Notice to File Missing Parts of Nonprovisional Application, stating that the oath or declaration was missing, and requiring a surcharge for its late filing.
3. On November 1, 2004 (certificate of mailing October 28, 2004), petitioner submitted a petition with an executed Declaration executed by four joint inventors, specifically, Norbert Staimer, YihFar Chen, James Norton and Joy Jison. The Declaration that was executed by each of Messrs. Staimer, Chen, Norton and Jison also listed Johnny C. Mounphoxay as an inventor and included a signature block for him. However, the signature block for Mr. Mounphoxay is on the last page of the Declaration (page 3) and was inadvertently omitted from the Declaration filed on November 1, 2004. Attached hereto as Exhibit A is a true and correct copy of the Declaration that was sent to each of the five listed inventors.
4. Attached hereto as Exhibit B are complete copies of the declarations that were signed by Messrs. Staimer, Chen, Norton and Jison, each listing Mr. Mounphoxay as an inventor.

DISCUSSION

Attached hereto as Exhibit C is a Declaration of Russell Jeide in Support of Request For Reconsideration Of Petition Under 37 C.F.R. 1.47(a).

In view of the above-listed facts that are confirmed in the attached Declaration of Russell Jeide, Applicant respectfully submits that Mr. Mounphoxay was properly listed on the Declaration executed by Messrs. Staimer, Chen, Norton, and Jison. Petitioner respectfully asserts that the Petition filed on November 1, 2004 complies with 37 C.F.R. 1.63 and requests reconsideration of the November 1, 2004 Petition.

Appl. No. : 10/828,732
Filed : April 21, 2004

If there are any obstacles to a prompt approval of this petition, the Patent and Trademark Office is invited to call the undersigned attorney.

Respectfully submitted,
